- The use of tip-over restraints may reduce but not eliminate the risk of tip-over.

Let's get started...

Helpful hints, read before beginning assembly

- Make sure you receive all boxes. If your item is packed in one box, box count will read 1 of 1, likewise if your item is packed in two boxes, box count will read 1 of 2 and second box will read 2 of 2.
- Read each step carefully. It is very important that each step is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.
- Work in a spacious level area, preferably carpet, near the place the unit will be used.
- **DO NO USE** power tools to assemble your furniture, it will strip and damage parts.
- Your package should include the following hardware and parts. Parts are labeled or stamped on the raw edge. Please inspect contents to ensure you have received all components. **If you are missing any hardware or parts please contact customer service right away before assembly.**
